

Fill in the gaps

Lovers On The Sun by David Guetta

| Let's light it up, let's light it up | It's a (13) that's (14) dying for |
|--------------------------------------|-------------------------------------|
| Until our (1) catch fire | Just (15) eyes |
| Then show the world a (2) light | And hold (17) breath |
| That (3) (4) so bright | Because it feels right |
| We'll (5) a way, we'll find a way | We'll keep it (18) |
| To keep the cold night | Until we make it to the other side |
| From breaking in over the walls | And let's enjoy the ride |
| Onto the wild side | We're burning up |
| The hunger satisfied | We (19) as well be (20) on the |
| We're (6) up | sun |
| We (7) as well be (8) on the sun | We might as well be (21) on the sun |
| We might as well be (9) on the sun | We might as (22) be (23) on the |
| We might as well be (10) on the sun | sun |
| We'll never know, we'll (11) know | Let's (24) it up, let's light it up |
| What (12) behind the door | Until our hearts catch fire |
| But I got a feeling | Then (25) the world a burning light |
| | That never shined so bright |
