

## Fill in the gaps

## Lovers On The Sun by David Guetta

Let's light it up, let's light it up	It's a feeling that's worth dying for
Until our hearts catch fire	Just close your eyes
Then show the world a burning light	And hold your breath
That never shined so bright	Because it feels right
We'll find a way, we'll find a way	We'll keep it moving
To (1) the cold night	Until we make it to the other side
From breaking in over the walls	And let's enjoy the ride
Onto the wild side	We're burning up
The hunger satisfied	We might as (7) be (8) on the sun
We're (2) up	We might as (9) be lovers on the sun
We (3) as well be lovers on the sun	We might as well be lovers on the sun
We might as (4) be (5) on the sun	Let's light it up, let's light it up
We might as well be lovers on the sun	Until our hearts catch fire
We'll never know, we'll never know	Then show the world a burning light
What stands (6) the door	That (10) shined so bright
But I got a feeling	

- 1. keep
- 2. burning
- 3. might
- 4. well
- 5. lovers
- 6. behind
- 7. well
- 8. lovers
- 9. well
- 10. never
