

## Fill in the gaps

Don't (1) (2) like you (3)	I (20) get back,
do,	Get back,
This time,	With you.
Baby you're the only (4) that's been,	You were the only one I wanted.
On my mind.	And you were the first one I (21) loved
Ever since you (5) I've been a mess,	You're the (22) one that I've been needing
You won't let it go far	And I don't (23) to be lonely anymore.
I'll say it once,	Chorus
And I'll leave you alone,	I wanna get back, to the old days,
But I gotta let you know.	When the phone would ring,
Chorus:	And I knew it was you.
I wanna get back, to the old days,	I wanna (24) back,
When the phone would ring,	And Get Yelled At
And I knew it was you.	Fight for nothing, like we used to.
I wanna (6) back,	Oh kiss me, (25) you (26) it,
And Get (7) At	Like you miss me,
Fight for nothing, like we (8) to.	Cause I (27) that you do.
Oh kiss me, (9) you mean it,	I wanna get back,
Like you (10) me,	Get back,
Cause I know that you do.	With you.
I (11) get back,	(Get back)
Get back,	Get back
With you.	(Get back)
You can be that way,	Get back
I see it in (12) eyes.	(Get back)
Don't worry about me,	Get back
I've (13) fine,	(Get back)
I'm not gonna lie I've been a mess,	Get back
Since you left,	Oh kiss me, like you mean it,
And every time I see you,	Like you miss me,
It gets (14) and more intense	Cause I know that you do,
Chorus	I wanna get back,
I (15) get back, to the old days,	Get back,
When the phone would ring,	I wanna get back,
And I knew it was you.	Get back,
I (16) back,	Get back,
And Get Yelled At	Get back,
Fight for nothing, (18) we used to.	With you.
Oh kiss me, (19) you mean it,	
Like you miss me,	
Cause I know that you do.
