Don't by Ed Sheeran

I met this girl late last year
She said don't you worry if I disappear
I told her I'm not really looking for another mistake
I called an old friend thinking that the trouble would wait
But then I jump right in
A week later returned
I reckon she was only looking for a lover to burn
But I gave her my time for two or three nights
Then I put it on pause 'til the moment was right
I went away for (1)_____ until our paths crossed again
She told me I was never looking for a friend
Maybe you could swing by my room around 10
Baby (2)_____ a lemon and a bottle of gin
We'll be in between the sheets 'til the (3)_____ AM
Baby if you wanted me (4)_____ you should've just said
She's singing
Don't fuck (5)_____ my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't fuck with my love
I told her she knows
Take aim and reload
I don't wanna know that babe
For a couple weeks I
Only want to see her
We (6)_____ away the days with a take-away pizza
Before a text message was the only way to reach her
Now she's staying at my place and loves the way I treat her
Singing out Aretha
All over the track like a feature
And never wants to sleep, I guess that I don't want to either
But me and her we make money the same way
Four cities, two planes the same day
Those shows have never (7)_____ what it's about
But maybe we'll go together and (8)_____ figure it out
I'd rather put on a film with you and sit on the couch
But we should get on a plane
Or we'll be missing it now

Wish I'd have written it down
The way that things played out
When she was (9)_____ him
How? I was confused about
She should figure it out while I'm sat here singing
Don't fuck with my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't fuck with my love
I told her she knows
Take aim and reload
I don't wanna know that babe
[Knock knock knock] on my hotel door
I don't even know if she knows what for
She was crying on my shoulder
I already told ya
Trust and respect is what we do this for
I never intended to be next
But you didn't need to take him to bed that's all
And I never saw him as a threat
Until you disappeared with him to have sex of course
It's not like we were both on tour
We were staying on the same fucking hotel floor
And I wasn't looking for a promise or commitment
But it was never just fun and I thought you were different
This is not the way you realize what you wanted
It's a bit too much, too late if I'm honest
All this time God knows I'm singing
Don't fuck with my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't fuck with my love
I told her she knows
Take aim and reload
I don't wanna know that babe
