

## Fill in the gaps

I met this (1) late last year		Wish I'd have written it dowr	١	
She said don't you worry if I disappear		The way that (19)	played out	
I (2) her I'm not really (3) f	or	When she was (20)	him	
another mistake		How? I was confused about		
I called an old friend thinking that the trouble (4)		She should figure it out while I'm sat here singing		
wait		Don't fuck with my love		
But then I jump right in		That heart is so cold		
A week (5) returned		All over my home		
I reckon she was only looking for a lover to burn		I don't wanna know that bab	е	
But I gave her my time for two or three nights		Don't fuck with my love		
Then I put it on (6) 'til the (7)	_	I told her she knows		
was right		Take aim and reload		
I went away for months until our paths crossed again		I don't wanna know that babe		
She told me I was never looking for a friend		[Knock knock knock] on my hotel door		
Maybe you (8) swing by my room around 10		I don't even know if she knows what for		
Baby bring a lemon and a bottle of gin		She was crying on my shoulder		
We'll be in between the sheets 'til the late AM		I already told ya		
Baby if you wanted me then you should've just said		Trust and respect is (21)	we do (22)	for
She's singing		I never intended to be next	, ,	
Don't fuck with my love		But you didn't need to take him to bed that's all		
That heart is so cold		And I never saw him as a threat		
All over my home		Until you disappeared with him to have sex of course		
I don't (9) know that babe		It's not (23) we were both on tour		
Don't fuck with my love		We were staying on the same fucking hotel floor		
I (10) her she knows		And I wasn't looking for a promise or commitment		
Take aim and reload		But it was never just fun and I thought you were different		
I don't wanna know that babe		This is not the way you realize what you wanted		
For a couple (11) I		It's a bit too much, too late if I'm honest		
Only want to see her		All this time God knows I'm singing		
We drink away the days with a take-away pizza		Don't fuck (24) my love		
Before a text message was the only way to reach her		That (25) is so cold		
Now she's staying at my place and loves the way I treat her		All over my home		
Singing out Aretha		I don't wanna know that babe		
All over the track like a feature		Don't fuck with my love		
And never wants to sleep, I (12) that I don't wa	ınt	I (26) her she kno	ows	
to either		Take aim and reload		
But me and her we (13) money the same way		I don't wanna know that bab	е	
Four cities, two planes the same day				
Those (14) have never been (15) i	t's			
about				
But maybe we'll go together and (16) figure it out				
I'd rather put on a film (17) you and sit on the	he			
couch				
But we (18) get on a plane				
Or we'll be missing it now
