Fill in the gaps

All her life she has seen	Turn the pain into power
All the meaner (1) of me	Every day, every hour
They took away the prophet's dream for a profit on the street	Turn the pain into power
Now she's stronger than you know	She's got lions in her heart
A heart of steel starts to grow	A fire in her soul
All his life he's been told	He's a got a beast in his belly
He'll be nothing when he's old	That's so hard to control
All the kicks and all the blows	'Cause they've taken too much hits
He won't ever let it show	Taking blow by blow
'Cause he's stronger than you know	Now light a match, stand back, watch them explode
A (2) of steel starts to grow	She's got (6) in her heart
When you've been fighting for it all your life	A fire in her soul
You've been struggling to make things right	He's a got a beast in his belly
That's how a superhero learns to fly	That's so hard to control
Every day, every hour	'Cause they've taken too much hits
Turn the pain into power	Taking blow by blow
When you've been fighting for it all your life	Now light a match, stand back, watch them explode
You've been working every day and night	When you've been fighting for it all your life
That's how a superhero learns to fly	You've been struggling to (7) things right
