

## Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
l'm gonna love ya, l'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're (1) down to (2) then	Wake up and dream for it
somehow you go astray	Till it's got you gasping for air
We went from nothing to something, liking to loving	And you (8) for it
It was us against the world and now we just fucking	'Till they have a CAT scan and check on your mind
It's like I loved you so much and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the (3) that I gave you	Now it's me-time believe that
I wanted all or nothing for us ain't no place in between	If it's yours when you want it
Might, might be me believing what you say that you	I wouldn't (9) I need that
(4) mean	Till I'm everywhere that you be at
Like it'll last (5) but now forever ain't as	I can't fall back go quick
long	Cause this here a fatal attraction so I take it all or I don't want
If it wasn't for you I wouldn't be stuck singing this song	shit
You were different from my (6) but now you got it	You used to be thirsty for me (Right)
mirrored	But now you wanna be set free
And as it all plays out I see it couldn't be clearer	
	This is the web, web that you weave
Now sing	So baby now rest in peace (It's all over with now)
