## Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you (8) for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then somehow you go astray	Wake up and dream for it
We (1) from nothing to something, liking to loving	Till it's got you gasping for air
It was us against the world and now we just fucking	And you lean for it
It's like I loved you so much and now I just hate you	'Till they have a CAT scan and check on your mind
Feeling stupid for all the time that I gave you	And it's (9) but me, on it (on it, on it)
I wanted all or nothing for us ain't no (2) in	Now it's me-time believe that
between	If it's yours when you want it
Might, might be me believing what you say that you never	I wouldn't promise I need that
mean	Till I'm everywhere that you be at
Like it'll last forever but now forever ain't as long	I can't fall back go quick
If it wasn't for you I wouldn't be stuck singing this song	Cause this here a fatal attraction so I take it all or I don't want
You were different (3) my last but now you got it	shit
mirrored	You used to be thirsty for me (Right)
And as it all (4) out I see it couldn't be clearer	But now you wanna be set free
Now sing	This is the web, web that you weave
You used to be thirsty for me	So baby now rest in peace (It's all over with now)
But now you wanna be set free	I'm gonna love ya
This is the web, web that you weave	Until you hate me (Right)
So baby now rest in (5) (It's all over with now)	And I'm gonna show ya (Show 'em what show 'em what)
I'm gonna love ya	What's really crazy
Until you hate me (Right)	You should've known better
And I'm gonna show ya (Show 'em what show 'em what)	Than to mess with me, honey
What's really crazy	I'm (10) love ya, I'm gonna love ya
You should've known better	Gonna love ya, gonna love ya
Than to (6) with me, honey (it's all (7)	Like a black widow, baby
with now)	BI-bl-bla-black widow, baby
I'm gonna love ya, I'm gonna love ya	
Gonna love ya, gonna love ya
