

You say I'm crazy

## Fill in the gaps

## I'm Not The Only One by Sam Smith

You and me, we made a vow	'Cause you don't (5) I know (6)
For better or for worse	you've done
I can't believe you let me down	But when you (7) me baby
But the proof's in the way it hurts	I know I'm not the only one
For (1) on end I've had my doubts	I have loved you for many years
Denying every tear	Maybe I am just not enough
I wish this would be over now	You've made me realize my deepest fear
But I know that I still need you here	By lying and (8) us up
You say I'm crazy	You say I'm crazy
'Cause you don't think I (2) what you've done	'Cause you don't think I know what you've done
But when you call me baby	But when you call me baby
I know I'm not the only one	I know I'm not the (9) one
You've been so unavailable	I know I'm not the only one
Now sadly I know why	I know I'm not the only one
Your heart is unobtainable	And I know
Even (3) Lord (4) you kept mine	I know I'm not the only one
