

## Fill in the gaps

You said goodbye	I'll never be over you
I fell apart	Why did I ever let you slip away
I fell (1) all we had	Can't stand another day without you
To I never knew, I needed you so bad	Without the feeling, I once knew
You need to let (2) go	I cry silently
I know, you told me so	I cry inside of me
I've been through hell	I cry hopelessly
To break the spell	Cause I know I'll never breathe your (6) again
Why did I ever let you sleep away	I cry, cause you're not here with me
Can't stand another day without you	cause I'm lonely as can be
Without the feeling, I once knew	I cry hopelessly
I cry silently	Cause I know I'll never breathe (7) love again
I cry inside of me	If I could have you back tomorrow
I cry hopelessly	If I (8) lose the pain and sorrow
Cause I know I'll never breathe your love again	I would do just anything
I cry, cause you're not here with me	To make you see, you still love me
cause I'm lonely as can be	I cry silently
I cry hopelessly	I cry inside of me
Cause I know I'll never breathe (3) (4)	_ I cry hopelessly
again	Cause I know I'll (9) breathe your love again
If you could see me now	I cry, cause you're not here (10) me
You (5) know just how,	cause I'm lonely as can be
How hard I try	I cry hopelessly
Not to wonder why	Cause I know I'll never breathe your love again
I wish I could believe in something new	
Oh, please somebody tell me it's not true(oh airl)
