

Fill in the gaps

You said goodbye	I'll (7) be over you
I (1) apart	Why did I ever let you slip away
I (2) from all we had	Can't stand another day without you
To I never knew, I needed you so bad	Without the feeling, I once knew
You need to let things go	I cry silently
I know, you told me so	I cry inside of me
I've been through hell	I cry hopelessly
To break the spell	Cause I know I'll never breathe your love again
Why did I ever let you sleep away	I cry, cause you're not here with me
Can't stand another day without you	cause I'm lonely as can be
Without the feeling, I once knew	I cry hopelessly
I cry silently	Cause I know I'll never breathe your (8) again
I cry inside of me	If I (9) have you back tomorrow
I cry hopelessly	If I could lose the pain and sorrow
Cause I know I'll never breathe (3) love again	I would do just anything
I cry, cause you're not here with me	To make you see, you still love me
cause I'm lonely as can be	I cry silently
I cry hopelessly	I cry inside of me
Cause I (4) I'll never breathe your love again	I cry hopelessly
If you could see me now	Cause I know I'll never breathe your love again
You would know just how,	I cry, cause you're not here with me
How hard I try	cause I'm lonely as can be
Not to wonder why	I cry hopelessly
I wish I could believe in (5) new	Cause I know I'll never breathe your love again
Oh, please somebody (6) me it's not true(oh girl)
