

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When (1)_____ legs don't work like they used to before
And I can't sweep you off of your feet
Will your (2)_____ still remember the (3)_____
of my love?
Will your eyes still (4)_____ (5)_____ your
cheeks?
Darling I will be loving you till we're seventy
And baby my (6)_____ could still feel as hard at twenty
three
And I'm thinking (7)_____ how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you (8)_____ single day
And I just want to tell you I am
So (9)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my (10)_____ heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the (11)_____ the
same way
I (12)_____ you (13)_____ (14)_____ love
me the same
Because honey your soul could never grow old

It's evergreen
And baby your (15)_____ is forever
In my mind and memory
I'm thinking about how
People fall in love in (16)_____ ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me (17)_____ the light of a thousand stars
Place your (18)_____ on my beating heart
I'm (19)_____ out loud
Baby we (20)_____ love
Right where we are
So baby now
Take me into your loving arms
Kiss me (21)_____ the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we (22)_____ love (23)_____ where we
are
Baby we (24)_____ love right where we are
And we found (25)_____ (26)_____ where we are

Fill in the gaps

Answer
