

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't (1)_____ like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still (2)_____ (3)_____ your
cheeks?
Darling I will be loving you till we're seventy
And baby my (4)_____ could still feel as hard at twenty
three
And I'm (5)_____ about how
People fall in love in mysterious ways
Maybe just the (6)_____ of a hand
Well me I fall in (7)_____ (8)_____ you every single
day
And I just want to tell you I am
So honey now
Take me (9)_____ your (10)_____ arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my (11)_____ don't (12)_____ the strings
the same way
I know you will still (13)_____ me the same
Because honey your soul could (14)_____ grow old

It's evergreen
And (15)_____ your (16)_____ is forever
In my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all (17)_____ of a plan
I'll just keep on making the same mistakes
Hoping (18)_____ you'll understand
That (19)_____ now
Take me (20)_____ your loving arms
Kiss me under the (21)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into (22)_____ loving arms
Kiss me under the light of a (23)_____ stars
Oh darling, place (24)_____ (25)_____ on my
beating heart
I'm thinking out loud
Baby we found love right (26)_____ we are
Baby we found (27)_____ right where we are
And we found love right where we are

Fill in the gaps

Answer

1. work
