Thinking Out Loud by Ed Sheeran

When your legs don't (1)_____ like (2)_____ used
to before
And I can't sweep you off of your feet
Will your mouth (3)_____ remember the taste of my
love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And (4)_____ my heart could (5)_____ feel as
hard at (6)_____ three
And I'm thinking about how
People fall in (7)_____ in (8)_____
ways
Maybe just the touch of a hand
Well me I fall in (9)_____ (10)_____ you every
single day
And I just want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my (11)_____ fades
And the crowds don't remember my name
When my hands don't play the (12)_____ the
same way
I (13)_____ you will still love me the same
Because honey your soul (14)_____ (15)_____
grow old

It's evergreen
And baby (16)_____ smile is forever
In my mind and memory
I'm thinking about how
People fall in (17)_____ in (18)_____
ways
And maybe it's all part of a plan
I'll (19)_____ (20)_____ on (21)_____ the
same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me (22)_____ the light of a
(23)_____ stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me (24)_____ the light of a thousand stars
Oh darling, place your head on my (25)_____

I'm (26)_____ out loud
Baby we found love right where we are
