Runaway by Bon Jovi

On the street where you live girls talk about their social lives
They're made of lipstick, plastic and paint, a touch of sable in
their eyes
All your life all you've asked when's your (1)_____
gonna talk to you
You were living in another (2)_____ tryin' to get your
message through
No one heard a single (3)_____ you said
They should have seen it in your eyes
What was going around your head
Chorus:
Ooh, she's a little runaway
Daddy's girl (4)_____ fast
All those things he couldn't say
Ooh, she's a little runaway
A different (5)_____ every night guaranteed to blow your
mind
I see you out on the streets, (6)_____ me for a
(7)_____ time
So you sit home alone 'cause there's nothing left that you can
do
There's only pictures (8)_____ in the shadows left there
to look at you
You know she likes the lights at (9)_____ on the
neon Broadway signs
She don't really mind, it's only love she hoped to find

Repeat chorus
No one heard a (10)_____ word you said
They should have seen it in your eyes
What was going around your head
Ooh, she's a little runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a little runaway
Daddy's girl learned fast
Now she works the night away
Ooh, she's a little runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a little runaway
Daddy's girl learned fast
Now she works the night away
