

Fill in the gaps

On the (1) where you live girls talk about their	Repeat chorus
social lives	No one heard a single word you said
They're made of lipstick, plastic and paint, a touch of sable in	They should have seen it in your eyes
their eyes	What was going around (8) head
All your life all you've asked when's your Daddy gonna talk to	Ooh, she's a little runaway
you	Daddy's girl learned fast
You were living in another (2) tryin' to get your	All those things he couldn't say
message through	Ooh, she's a little runaway
No one heard a single (3) you said	Daddy's (9) learned fast
They should have seen it in (4) eyes	Now she works the night away
What was going around your head	Ooh, she's a little runaway
Chorus:	Daddy's girl (10) fast
Ooh, she's a little runaway	All those things he couldn't say
Daddy's (5) learned fast	Ooh, she's a little runaway
All those things he couldn't say	Daddy's girl learned fast
Ooh, she's a little runaway	Now she works the night away
A different line every night guaranteed to blow your mind	
I see you out on the streets, call me for a wild time	
So you sit home alone 'cause there's nothing left that you can	
do	
There's only pictures hung in the shadows left (6)	
to look at you	
You know she likes the lights at nights on the neon	
(7) signs	
She don't really mind, it's only love she hoped to find
