They're made of lipstick, plastic and paint, a touch of sable in	They (19) (20) seen it in your eyes
their eyes	What was (21) (22)
All (4) life all you've asked when's your Daddy	(23) head
gonna talk to you	Ooh, she's a little runaway
You (5) (6) in another world tryin'	Daddy's girl learned fast
to get your message through	All those things he couldn't say
No one heard a single word you said	Ooh, she's a (24) runaway
They (7) (8) seen it in your eyes	Daddy's girl learned fast
What was going around your head	Now she works the night away
Chorus:	Ooh, she's a little runaway
Ooh, she's a (9) runaway	Daddy's (25) learned fast
Daddy's (10) learned fast	All (26) (27) he couldn't say
All those (11) he couldn't say	Ooh, she's a little runaway
Ooh, she's a little runaway	Daddy's girl learned fast
A different line every night guaranteed to (12) your	Now she works the night away

I see you out on the streets, call me for a wild time	
So you sit home (13) 'cause there's nothing	
(14) (15) you can do	
There's only (16) in the	
shadows left there to look at you	
You know she likes the lights at nights on the neon Broadway	
signs	
She don't really mind, it's (18) love she hoped to	
find
