

Loving can hurt

Fill in the gaps

So you can (7)_____ me inside the pocket

_oving can hurt sometimes	Of your ripped jeans
But it's the only thing that I know	Holding me closer until our eyes meet
when it gets hard	You won't ever be alone
You know it can get hard sometimes	And if you hurt me
t is the only thing that makes us feel alive	That's ok baby only words bleed
We keep this love in a photograph	Inside these pages you just hold me
We made these memories for ourselves	And I won't ever let you go
Where our eyes are never closing	Wait for me to come home
Our hearts are never broken	Wait for me to come home
And (1) are forever frozen still	Wait for me to come home
So you can keep me, Inside the pocket	Wait for me to come home
Of your ripped jeans	Oh, you can keep me
Holding me close until our eyes meet	Inside the necklace you bought when you were sixteen
You won't ever be alone	Next to your heartbeat
Wait for me to come home	Where I should be
_oving can heal	Keep it deep within your soul
_oving can mend your soul	And if you hurt me
And is the only thing that I know	Well, that's ok baby only words bleed
swear it will get easier	Inside these pages you just hold me
Remember that with every piece of you	And I won't ever let you go
And it's the only thing to (2) with us when we die	When I'm away
We (3) this love in a photograph	I (8) remember how you kissed me
We made these memories for ourselves	Under the (9) (10) on sixtl
Where our (4) are never closing	street
Our hearts (5) never broken	Hearing you whisper through the phone
And times forever (6) still	Wait for me to come home
