Baby I'm
So what you trying to do to me
It's like we can't stop we're enemies
But we get along when I'm inside you
You're like a drug that's killing me
I cut you out entirely
But I get so high when I'm inside you
Yeah you can start over you can run free
You can find other fish in the sea
You can pretend it's meant to be
But you can't stay (4) from me
I can still hear you making that sound
Taking me down rolling on the ground
You can pretend that it was me
But no
Baby I'm preying on you tonight
Hunt you down eat you alive
Just like animals
