Heaven Is A Place On Earth by Belinda Carlisle

Ooh baby, do you know (1) that's worth?	I hear your voice
Ooh heaven is a place on earth	And it carries me
They say in heaven love comes first	In this world we're just beginning
We'll make heaven a place on earth	To understand the miracle of living
Ooh, heaven is a place on earth	Baby I was afraid before
When the night falls down	But I'm not afraid anymore
I wait for you	Ooh baby, do you know (4) that's worth?
And you (2) around	Ooh heaven is a place on earth
And the world's alive	They say in heaven love comes first
With the sound of kids	We'll make heaven a place on earth
On the street outside	Ooh, heaven is a place on earth
When you walk into the room	In this world we're (5) beginning
You pull me close and we (3) to move	To understand the (6) of living
And we're spinning with the stars above	Baby I was afraid before
And you lift me up in a wave of love	But I'm not afraid anymore
Ooh baby, do you know what that's worth?	Ooh baby, do you (7) (8) that's worth
Ooh heaven is a place on earth	Ooh heaven is a place on earth
They say in heaven love comes first	They say in heaven love comes first
We'll make heaven a place on earth	We'll make heaven a place on earth
Ooh, heaven is a place on earth	Ooh, heaven is a place on earth
When I feel alone	Ooh, heaven is a place on earth
I reach for you	Ooh, heaven is a place on earth
And you bring me home	Ooh, heaven is a place on earth
