

Fill in the gaps

Heaven Is A Place On Earth by Belinda Carlisle

Ooh baby, do you know what that's worth?	I hear (13) voice
Ooh heaven is a place on earth	And it (14) me
They say in (1) love comes first	In this world we're (15) beginning
We'll (2) (3) a place on earth	To (16) the (17)
Ooh, (4) is a (5) on earth	of living
When the night falls down	Baby I was afraid before
I wait for you	But I'm not afraid anymore
And you come around	Ooh baby, do you know (18) that's worth?
And the world's alive	Ooh heaven is a (19) on earth
With the (6) of kids	They say in heaven (20) (21) first
On the street outside	We'll (22) heaven a place on earth
When you walk into the room	Ooh, heaven is a place on earth
You pull me close and we start to move	In this world we're just beginning
And we're spinning with the stars above	To understand the (23) of living
And you lift me up in a (7) of love	Baby I was (24) before
Ooh baby, do you (8) what that's worth?	But I'm not afraid anymore
Ooh heaven is a place on earth	Ooh baby, do you (25) what that's worth?
They say in (9) love comes first	Ooh heaven is a place on earth
We'll (10) heaven a place on earth	They say in heaven love (26) first
Ooh, heaven is a place on earth	We'll (27) heaven a place on earth
When I (11) alone	Ooh, heaven is a place on earth
I (12) for you	Ooh, heaven is a (28) on earth
And you bring me home	Ooh, heaven is a place on earth
When I'm lost at sea	Ooh, heaven is a place on earth
