

Fill in the gaps

You're not alone	There's nothing you could say
Together we stand	Nothing you (4) do
I'll be by your side, you know I'll take your hand	There's no other way when it comes to the truth
When it gets cold	So keep (5) on
And it feels like the end	'Cause you know we'll make it through, we'll make it through
There's no place to go	Hear me when I say, when I say I (6)
You know I won't give in	Nothing's gonna change, nothing's gonna change destiny
No I won't give in	Whatever's (7) to be will work out perfectly
Keep holding on	Yeah, yeah, yeah
'Cause you know we'll make it through, we'll (1) it	La da da da
through	La da da da
Just stay strong	La da da da da da da
'Cause you know I'm here for you, I'm here for you	Keep holding on
There's nothing you could say	'Cause you know we'll make it through, we'll make it through
Nothing you could do	Just stay strong
There's no other way when it comes to the truth	'Cause you (8) I'm here for you, I'm here for you
So (2) holding on	There's nothing you (9) say
'Cause you know we'll make it through, we'll make it through	Nothing you could do
So far away	There's no other way (10) it comes to the truth
I wish you were here	So keep holding on
Before it's too late, this could all disappear	'Cause you know we'll make it through, we'll make it through
Before the doors close	Keep holding on
And it comes to an end	Keep holding on
With you by my side I will fight and defend	There's nothing you could say
I'll fight and defend	Nothing you could do
Yeah, yeah	There's no other way when it comes to the truth
Keep holding on	So keep holding on
'Cause you know we'll make it through, we'll make it through	'Cause you know we'll make it through, we'll make it through
Just stay strong	
'Cause you know I'm (3) for you, I'm here for you
