

Fill in the gaps

It's easy to fall in love	Still it's hard to put the fire out
But it's so hard to break somebody's (1)	What seemed (6) a good idea's
What seemed (2) a (3) idea	Turned into a battlefield
Has turned into a battlefield	Feelings are shifting like the tide
Once lust has turned to dust	And I think too much about the future
And all that's left has held breath	What seemed like a good idea's
Forgotten who we first met	Turned into a battlefield
What seemed like a good idea's	We both know it's coming
Turned into a battlefield	Does illusion count for something we had?
We both know it's coming	The surface tension's gotta break
Does illusion count for something we had?	One drop is all it takes to (7) out this lie
The (4) tension's gotta break	You and I, we have to let each other go
One drop is all it takes to flood out this lie	We (8) (9) on, but we both know
You and I, we have to let each other go	
We keep holding on, but we both know	What seemed like a good idea's
What seemed like a good idea's	Turned into a battlefield
Turned into a battlefield	Peace will come when one of us puts (10) the gun
Peace will come when one of us puts down the gun	Be strong for both of us
Be strong for both of us	No, please, don't run, don't run
No, please, don't run, don't run	Eye to eye we face our fears
Eye to eye we face our fears	Unarmed on battlefield
Unarmed on (5)	We seemed like a good idea
We seemed like a good idea	We seemed like a good idea
We seemed like a good idea	We seemed like a good idea
No blood will spill if we both get out now	We seemed like a good idea
