If You Say So by Lea Michele

Seven whole days, seven whole days
Since you paralyzed me
Seven whole days, seven whole days
Since you lost your fight
And I can't get the last words that you said
Can't get those words out of my head
Seven whole days, seven whole days and four words
And I can't get away from the burning pain a light you wake
And the fallen hero haunts my thoughts
How could you leave
me this way
It's been seven whole days without your embrace
I wanna see your face
I got some things to say
Was just a week ago
You said I love you girl
I said I love you more
And a breath, a pause, you said, if you say so
If you say so
If you say so
If you say so
