

Fill in the gaps

Glacier by James Vincent McMorrow

Someone (1) a lie, somewhere underneath,
Caught between the reeling, mirroring the beat.
I no longer fit and the years asleep.
Show no sense of holding, (2) aimlessly.
I (3) go south of the river, glacier slow in the heart of the winter.
I (4) go south of the river, face it (5) in the heart of the winter.
And this we'll celebrate, (6) we'll celebrate
There and on the stage, (7) is a mistake.
Damn me off the long.
Down the (8) and moon,
Damp and clawing kneeling, rustling into change.
In a (9) I was caught, in a calling by a steam.
In the moment of a hot.
I (10) go south of the river, glacier (11) in the (12) of the winter.
I (13) go south of the river, face it alone in the heart of the winter.
I am knotted at the (14) called house.
Few became, few became as (15) as long locked as the (16) state and starting living near.
Harrow since, ever since the farthest (17) (18) we inside a cheat, his banks again, so dear.
Someone hears a lie, somewhere underneath.
Caught (19) the reeling, (20) the beat.
I no longer fit, and in years we fall.
Silence is so cold, and there's no sense at all.
And I was (21) else,
And I was (21) else,
And I was (21) else, I was something good.
And I was (21) else, I was something good. Barrelling at the old.
