

## Fill in the gaps

## Break free (feat. Zedd) by Ariana Grande

	Now that I've become who I (6) am
If you want it, take it	[x2:]
I should've said it before	This is the part when I say I don't want ya
Tried to hide it, fake it	I'm stronger than I've been before
I can't pretend anymore	This is the part (7) I break free
I only wanna die alive	'Cause I can't resist it no more
Never by the (1) of a (2) he	eart No more, baby, ooh
Don't wanna hear you lie tonight	Thought on your body
Now that I've become who I really am	I came alive
[x2:]	It was lethal
This is the part when I say I don't want ya	It was fatal
I'm stronger than I've been before	In my dreams it felt so right
This is the part (3) I (4) free	But I woke up every time
'Cause I can't (5) it no more	Oh, baby
You were better, deeper	[x2:]
I was under your spell	This is the part when I say I don't (8) ya
Like a deadly fever, yeah, babe	I'm stronger than I've been before
On the highway to hell, yeah	This is the part when I break free
I only wanna die alive	'Cause I can't resist it no more
Never by the hands of a broken heart	
Don't wanna hear you lie tonight
