Nothing in the world can make me change the way I feel for	But now I'm back to life
you	I turned into my own deceiver and that I cant deny
Nothing in the world could (1) me leave you	I thought that I was born to walk alone until I met you
Don't you feel it too	Now you are my one desire, come on and take me higher
You have made me realize my love for you could make me	Nothing in the world can (5) me change the way I
(2)	feel for you
You have made me realize that love alone could save my soul	Nothing in the world could make me leave you
	Don't you feel it too
I was in a place of fire	You have made me realize my love for you could make me
I was hypnotized	whole
Living in my darkest hour	You (6) made me realize that love alone could
I was (3)	save my soul
Now I'm back and feeling higher	(Can you save my soul (Tell me can you save me)) (repeat)
You alone can see	Nothing in the world can make me change the way I feel for
You became my true reviver when you rescued me	you
Nothing in the world can make me change the way I feel for	Nothing in the world could make me leave you
you	Don't you feel it too
Nothing in the world could make me leave you	You have made me realize my love for you could make me
Don't you feel it too	whole
You have made me realize my (4) for you could	You (7) made me realize (8) love alone
make me whole	could save my soul
You have made me realize that love alone could save my soul	Save my soul
	Tell me can you save my soul
I suffered from a burning fever
