Shakas My Day by

She Makes My Day by Robert Palmer

	I'll never be lonely now I know her
feel so lucky loving her	She fills my heart with joy, she makes my day
Tell me what else is magic for	She just has to smile to blow my cares away
She thinks it's better left unsaid	She just has to touch my hand, to make me stay.
She makes her mind up in a glance	I feel so lucky loving her
t really made a difference	Tell me what else is magic for
seem to be unconditionally hers	She thinks it's better left unsaid
She's like a new girl everyday	She makes her (6) up in a glance
And all the rest don't bother me	It really made a difference
'm far too busy loving her	I seem to be unconditionally hers
'Il never be lonely now I know her	She's like a new girl everyday
She fills my heart with joy, she makes my day	And all the (7) don't bother me
She just has to smile to blow my cares away	I'm far too busy loving her
She just has to (1) my hand, to make me stay.	I'll never be lonely now I know her
She's all good loving at once	She fills my heart with joy, she makes my day
She's all good (2) at once	She just has to smile to (8) my cares away
She's all good loving at once	She just has to touch my hand, to make me stay.
She's all good loving at once	She's all good loving at once
Our love was unintentional	She's all good loving at once
She says we're not responsible	She's all good loving at once
She (3) with her chin up	She's all good loving at once
She always makes uncommon sense	She's all (9) loving at once
Always knows just what to say	She's all good loving at once
She always (4) me unawares	She's all good (10) at once
n less time than it (5) to fall,	She's all good loving at once
'm here and there you are	
Ne never fought it anyway
