Damn, who knew?	And that (9) is what we reach
All the planes we flew	So remember me when I'm (10) (remember me
Good things we've been through	when I'm gone)
Fhat I'll be standing right here talking to you	How can we not talk about family when family's all that we
Bout another path	got?
know we loved to hit the road and laugh	Everything I went through you were standing there by my side
But something told me that it wouldn't last	And now you gon' be with me for the last ride
Had to switch up	So let the light guide your way, yeah
Look at things different, see the (2) picture	Hold every memory as you go
Those were the days	And every road you take, will always lead you home, ooh ooo
Hard work (3) pays	oh
Now I see you win the better place (see you win the better	It's been a long day without you, my friend
