

When I need motivation

Fill in the gaps

My one solution is my queen
My one solution is my queen
'Cause she' stay (1) yeah
She is always in my corner
Right there when I want her
All these (2) girls are tempting
But I'm empty when you're gone
And they say
Do you need me
Do you think I'm pretty
Do I make you feel like cheating?
And I'm like no, not (3) 'cause
And I'm like no, not (3) 'cause Oh I think (4) I found myself a cheerleader
Oh I think (4) I found myself a cheerleader
Oh I think (4) I found myself a cheerleader She is always right there when I need her
Oh I think (4) I found myself a cheerleader She is always right there when I need her Oh I think that I found myself a cheerleader
Oh I think (4) I found myself a cheerleader She is always right there when I need her Oh I think that I found myself a cheerleader She is always right there when I need her
Oh I think (4) I found myself a cheerleader She is always right there when I need her Oh I think that I found myself a cheerleader She is always right there when I need her She walks like a model
Oh I think (4) I found myself a cheerleader She is always right there when I need her Oh I think that I found myself a cheerleader She is always right there when I need her She walks like a model She grants my wishes like a genie in a bottle

But I'm empty when you're gone
And they say
Do you (5) me
Do you think I'm pretty
Do I make you feel like cheating?
And I'm like no, not really cause'
Oh I think that I found myself a cheerleader
She is always right there when I need her
Oh I think that I found myself a cheerleader
She is always right there when I (6) her
She gives me love and affection
Baby did I mention, you're the only girl for me
No I don't need the next one
Mama loves you too, she thinks I made the right selection
Now all that's left to do
Is just for me to pop the question
Oh I think I found myself a cheerleader
She is always right there when I need her
Oh I (7) I found myself a cheerleader
She is always (8) there when I need her

- 1. strong
- 2. other
- 3. really
- 4. that
- 5. need
- 6. need
- 7. think
- 8. right
