

## Fill in the gaps

Died (1) night in my dreams	Now, I'm searching for trust
Valking the streets	In a city of rust
Of some old ghost town	A city of vampires
tried to believe	Tonight, Elvis is dead
n God and James Dean	And everyone's spread
But Hollywood sold out	And love is a satire
Saw all of the saints	And now I know my heart is a ghost town
ock up the gates	My heart is a ghost town
could not enter	My heart is a ghost town
Valked into the flames	My heart is a (6) town
Called out your name	There's no one (7) in the world
But (2) was no answer	I'm gunslingin'
And now I (3) my heart is a ghost town	Don't give a fuck if I go
Ny heart is a ghost town	Down, down, down
Ny heart is a ghost town	I got a voice in my head that keeps singing
Ny heart is a ghost town	Oh, my heart is a ghost town
Died last night in my dreams	My heart is a ghost town
All the machines	Oh, my heart is a ghost town
Had (4) disconnected	(Said, my heart)
ime was thrown at the wind	My heart is a ghost town
and all of my friends	My heart is a ghost (8)
Had (5) disaffected
