## I Really Like You by Carly Rae Jepsen

| I really want to stop                              | And I want you, do you want me? |
|--|---------------------------------|
| But I just got a taste for it                      | Do you want me too?             |
| I feel like I could fly                            | Oh, did I say too much?         |
| With the boy on the moon                           | I'm so in my head               |
| So honey hold my hand                              | When we're out of touch         |
| You like making me wait for it                     | I really really like you        |
| I (1) like I (2) die walking up to the             | And I want you, do you want me? |
| room   | Do you want me too?             |
| Late night watching television                     | Who gave you (6) like that?     |
| But how'd we get in this position?                 | Said you could keep them?       |
| It's way too soon I know this isn't love           | I don't know how to act         |
| But I need to tell you something                   | Or if I should be leaving       |
| I really really like you                           | I'm running out of time         |
| And I want you, do you want me?                    | Going out of my mind            |
| Do you (3) me too?                                 | I need to tell you something    |
| I really really like you                           | I'm pregnant                    |
| And I want you, do you want me?                    | Ok                              |
| Do you want me too?                                | Just kidding                    |
| Oh, did I say too much?                            | I really really like you        |
| I'm so in my head                                  | And I want you, do you want me? |
| When we're out of touch                            | Do you want me too?             |
| I really really like you                           | I really really like you        |
| And I want you, do you want me?                    | And I want you, do you (7) me?  |
| Do you want me too?                                | Do you want me too?             |
| It's like everything you say is a sweet revelation | Oh, did I say too much?         |
| All I want to do is get into your head             | I'm so in my head               |
| Yeah, we (4) stay alone                            | When we're out of touch         |
| You and me in this temptation                      | I really really like you        |
| Sipping on your lips                               | And I want you, do you want me? |
| Hanging on by thread, baby                         | Do you want me too?             |
