Midnight, you come and pick me up, no headlights
A long drive, could end in (1)_____ flames or
paradise
Fade into view, oh
It's been a while since I have even heard from you (heard
from you)
I should just tell you to leave cause I
Know exactly where it leads but I
Watch it go round and round each time
You got that James Dean daydream look in your eye
And I got that red lip classic thing that you like
And when we go crashing down we come back every time
Cause we never go out of style, we never go out of style
You got (2)_____ (3)_____ hair slicked back, white
t-shirt
And I got that good (4)_____ faith and a tight little skirt
And when we go crashing down, we come back every time
Cause we never go out of style, we never go out of style
So it goes, he can't keep his (5)_____ eyes on the road
Takes me home, lights are off he's taking off his coat
I say, "I've heard (6)_____ you've been out and about
With some other girl, some other girl"
He says "What you've heard is true but I

Can't stop thinking about you and I"
I said, "I've been there too a few times"
Cause you got that (7)_____ Dean
(8)_____ look in your eye
And I got that red lip classic thing that you like
And when we go crashing down we come back every time
Cause we never go out of style, we never go out of style
You got that long hair slicked back, white t-shirt
And I got that good girl faith and a tight little skirt
And when we go crashing down, we come back every time
Cause we (9)_____ go out of style, we never go out of
style
Take me home
Just take me home
Just take me home
You got (10)_____ James Dean daydream look in your
eye
And I got that red lip classic thing that you like
And when we go crashing down we come back every time
Cause we never go out of style, we never go out of style
