## Fill in the gaps

Midnight, you come and pick me up, no headlights  
A long drive, could end in burning flames or paradise  
Fade into view, oh  
It's been a while since I have even heard from you (heard from you)  
I should just tell you to leave cause I  
Know exactly where it leads but I  
Watch it go round and round each time  
You got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down we come back every time  
Cause we never go out of style, we never go out of style  
You got that long hair slicked back, white t-shirt  
And I got that good girl faith and a tight little skirt  
And when we go (1)\_\_\_\_\_ down, we come back every time  
Cause we never go out of style, we never go out of style  
So it goes, he can't keep his wild eyes on the road  
Takes me home, lights are off he's taking off his coat  
I say, "I've heard that you've been out and about  
With some other girl, some other girl"  
He says "What you've heard is true but I

Can't stop thinking about you and I"  
I said, "I've been there too a few times"  
Cause you got that James Dean daydream (2)\_\_\_\_\_ in  
(3)\_\_\_\_\_ eye  
And I got that red lip classic (4)\_\_\_\_\_ that you like  
And (5)\_\_\_\_\_ we go (6)\_\_\_\_\_ down we come back every time  
Cause we never go out of style, we never go out of style  
You got that long hair slicked back, white t-shirt  
And I got that good girl faith and a tight little skirt  
And when we go (7)\_\_\_\_\_ down, we come back (8)\_\_\_\_\_ time  
Cause we (9)\_\_\_\_\_ go out of style, we (10)\_\_\_\_\_ go out of style  
Take me home  
Just take me home  
Just take me home  
You got that James Dean daydream look in your eye  
And I got that red lip classic thing that you like  
And when we go crashing down we come back every time  
Cause we never go out of style, we never go out of style
