

## Fill in the gaps

I am so high, I can hear heaven		Now that the world isn't ending
I am so high, I can hear heaven		It's love that I'm (8) to you
Whoa, but heavenno, (1)	don't	It isn't the love of a hero
(2) me		And that's why I fear it won't do
And they say		And they say
That a (3) could save us		That a hero could save us
I'm not (4) stand (5) and wait		I'm not gonna stand (9) and wait
I'll hold on to the (6) of the eagles		I'll hold on to the wings of the eagles
Watch as we all fly away		Watch as we all fly away
Someone told me		And they're watching us
Love would all (7) us		They're watching us
But, how can that be		As we all fly away
Look what love gave us		And they're watching us
A world full of killing		They're watching us
And blood spilling		As we all fly away
That world never came		And they're watching us
And they say		They're watching us
That a hero could save us		As we all fly away
I'm not gonna stand here and wait		
I'll hold on to the wings of the eagles		
Watch as we all fly away
