flipping me upside down		you were lost so you could be found
but i'll (3) a way somehow		oh, something, (16) leads to nothing
cause i know your name		nothing brings us down, down
and i got your number		but can we turn it around,
we could (4) a flame		turn it around, eh
we could say it all out loud		i (17) i'm gonna be sick
so don't it (5) you wonder now		i can't keep (18) this
oh, something, something	g (6) to nothing	kill me and (19) it quick
nothing brings us down, down		i (20) it's all going well
but can we turn it around,		i'm falling under your spell
turn it around, eh		i'm walking right (21) hell
i think i'm gonna be sick		if everything's gonna (22) apart
i can't keep doing this		i (23) the key so i can get back into your heart
kill me and make it quick		i'd be in heaven for a day
i think it's all going well		but everything you do just (24) say
i'm falling (7)	your spell	i (25) i'm gonna be sick
i'm walking right (8)	hell	i can't keep doing this
i dream about (9)	love	kill me and make it quick
and (10) in your blue eyes		i think it's all going well
all i really know		i'm (26) under your spell
is you (11) me with a surprise smile		i'm walking (27) (28) hell
i'm just dying in the (12)	while
