

Fill in the gaps

| From (1) (2) and talking loads | And Hi be me |
|--|--|
| To seeing shows in evening (3) with you | Everything that's broke |
| From (4) touch and getting drunk | Leave it to the breeze |
| To staying up and (5) up (6) you | Why don't you be you |
| But now we're sleeping at the edge | And I'll be me |
| Holding something we don't need | And I'll be me |
| All (7) delusion in our heads | Trying to fit (17) (18) inside of mine |
| Is gonna bring us to our knees | When we (19) it just don't belong |
| So (8) on let it go | There's no force on earth |
| Just let it be | Could make me feel right, no |
| Why don't you be you | Whoa |
| And I'll be me | Trying to (20) this (21) up the |
| Everything that's broke | hill |
| Leave it to the breeze | When it's (22) too heavy to hold |
| Why don't you be you | Think now's the time to let it slide |
| And I'll be me | So come on let it go |
| And I'll be me | Just let it be |
| From throwing (9) across the floor | Why don't you be you |
| To teeth and claws and slamming (10) at you | And I'll be me |
| If this is all we're (11) for | Everything that's broke |
| Why are we doing it, (12) it, doing it anymore | Leave it to the breeze |
| I used to recognize myself | Let the ashes fall |
| It's (13) how (14) | Forget (23) me |
| change | Come on let it go |
| When we're becoming something else | Just let it be |
| I think it's time to (15) away | Why don't you be you |
| So (16) on let it go | And I'll be me |
| Just let it be | And I'll be me |
| Why don't you be you | |
