

Fill in the gaps

From walking home and (1) loads	And I'll be me
To seeing shows in (2) clothes	Everything that's broke
(3) you	Leave it to the breeze
From nervous touch and getting drunk	Why don't you be you
To staying up and waking up (4) you	And I'll be me
But now we're sleeping at the edge	And I'll be me
Holding (5) we don't need	Trying to fit your (13) inside of mine
All this (6) in our heads	When we (14) it just don't belong
Is gonna bring us to our knees	There's no force on earth
So come on let it go	Could (15) me feel right, no
Just let it be	Whoa
Why don't you be you	Trying to push (16) problem up the hill
And I'll be me	When it's (17) too (18) to hold
Everything that's broke	Think now's the (19) to let it slide
Leave it to the breeze	So (20) on let it go
Why don't you be you	Just let it be
And I'll be me	Why don't you be you
And I'll be me	And I'll be me
From throwing clothes (7) the floor	Everything that's broke
To (8) and claws and slamming doors at you	Leave it to the breeze
If (9) is all we're living for	Let the ashes fall
Why are we doing it, doing it, (10) it anymore	Forget about me
I used to recognize myself	Come on let it go
It's funny how (11) change	Just let it be
When we're becoming (12) else	Why don't you be you
I think it's time to walk away	And I'll be me
So come on let it go	And I'll be me
Just let it be	
Why don't you be you
