Us Against The World by Coldplay

There is no one else (1) I can say this to	If you have a problem I'll be (6) for you
And there is nothing better than talk to you	Cause girl you always know that it's us against the world
If you have a problem, I'll be here for you	Whenever you're near there is no fear
Cause girl you always know that it's us against the world	It feels like there's nothing that I can't do
I met (2) the other night,	You (7) me feel strong cause it's here with you that
Someone I really started to like	I belong
How will I know if he's right for me?	There is no one else that I can say this to (oooohhh yeah)
I wonder if we are meant to be	And there is nothing better than talk to you (there's nothing
Don't start to like him too much too soon	better)
There is no one else that I can say this to	If you have a problem I'll be here for you (for you ohohoh)
And there is (3) better than talk to you	Cause girl you always know that
If you have a problem I'll be here for you	There ain't nobody else but you
Cause girl you always know that it's us against the world	that makes me feel the way that I do
You know that boy I started to see	There ain't nobody else but you (uuu)
He think's he can help it all for free	It's us against the world
I wonder if he still the one for me?	There is no one else that I can say this to
I try talk to myself in to see	And there is nothing better than talk to you
Don't start to like him too much too soon	If you have a problem I'll be here for you
There is no one else that I can say this to	(if you have a problem tell me)
And there is nothing better than talk to you	Cause girl you always know that it's us against the world
If you have a problem I'll be here for you	(Now you know I'll be there)
Cause (4) you always know that it's us against the	There is no one else that I can say this to
world	And there is nothing better than talk to you
No one else that I can say this to	If you have a problem I'll be (8) for you
And (5) is nothing better than talk to you	Cause (9) you always know that it's us against the world
