

Fill in the gaps

I was trying to hide
I'll forget what I've done
I'll be redefined
It's shaking the sky
And I'm following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me? I'm shining
And it's you that I've (4) waiting to find
I want to be the one you steal
I want to be the one you shield
I want to be the one that your love
That (5) love can heal
I want to be the one you steal
I want to be the one you shield
I (6) to be the one (7) your love
That (8) love
It's shaking the sky
And I'm following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me? I'm shining
And it's you that I've been (9) to find
I'm holding it all tonight
I'm folding it all tonight
You know that you make it shine
It's you that I've been waiting to find
(bis)
It's you that I've been waiting to find
