

## Fill in the gaps

I (1)	_ us alone		I was trying to hide		
Waiting for the light to go			I'll forget what I've done		
Don't you (2)	(3) hunger? I'll be redefined				
I've got so many secrets to show			It's shaking the sky		
When I saw you on that stage			And I'm following lightning		
I (4) with the (5) you gave			I'll recover if you keep me alive		
Don't you hear (6) rhythm?			Don't leave me behind		
Can you show me how we can escape?			Can you see me? I'm shining		
I was (7) my time			And it's you that I've been waiting to find		
I was trying to hide			I want to be the one you steal		
I'll forget what I've done			I (18)	to be the one you shield	
I (8) be redef	ned		I (19)	to be the one that your love	
It's shaking the sky			That (20)	love can heal	
And I'm following lightning			I want to be the one you steal		
I'll recover if you keep me alive			I (21)	to be the one you shield	
Don't leave me behind			I (22)	_ to be the one that (23)	_ love
Can you see me? I'm shining			That your love		
And it's you that I've been waiting to find			It's shaking the sky		
I'm (9) it all tonight			And I'm following lightning		
I'm folding it all tonight			I'll (24) if you keep me alive		
You know (10)	_ you (11)	it shine	Don't leave me	behind	
It's you (12) I've (13) waiting to find			Can you see me? I'm shining		
(bis)			And it's you that I've been waiting to find		
Now (14) we can hear (15) sound			I'm (25) it all tonight		
I know that you can hold me down			I'm (26)	it all tonight	
You can't (16) me under			You (27) that you make it shine		
You can (17) everything to the ground			It's you that I've been waiting to find		
Everything I can arrange			(bis)		
And every part of me you change			It's you that I've been waiting to find		
Just hold me together			(bis)		
Tell me you'll always war	nt me to stay				
I was biding my time
