

I was biding my time

Fill in the gaps

I remember us alone	I was trying to hide
Waiting for the light to go	I'll forget what I've done
Don't you feel that hunger?	I'll be redefined
I've got so many secrets to show	It's shaking the sky
When I saw you on that stage	And I'm following lightning
I (1) with the look you gave	I'll recover if you (6) me alive
Don't you hear that rhythm?	Don't leave me behind
Can you show me how we can escape?	Can you see me? I'm shining
I was biding my time	And it's you that I've (7) waiting to find
I was trying to hide	I want to be the one you steal
I'll forget what I've done	I want to be the one you shield
I will be redefined	I want to be the one that your love
It's (2) the sky	That your love can heal
And I'm (3) lightning	I want to be the one you steal
I'll recover if you keep me alive	I want to be the one you shield
Don't leave me behind	I want to be the one that (8) love
Can you see me? I'm shining	That (9) love
And it's you that I've been waiting to find	It's shaking the sky
I'm holding it all tonight	And I'm following lightning
I'm folding it all tonight	I'll recover if you keep me alive
You know that you make it shine	Don't leave me behind
It's you that I've (4) waiting to find	Can you see me? I'm shining
(bis)	And it's you that I've been waiting to find
Now that we can hear that sound	I'm holding it all tonight
I know that you can hold me down	I'm folding it all tonight
You can't pull me under	You know that you make it shine
You can raise (5) to the ground	It's you (10) I've been waiting to find
Everything I can arrange	(bis)
And every part of me you change	It's you that I've been waiting to find
Just hold me together	(bis)
Tell me you'll always want me to stay
