

Fill in the gaps

I've got fire for a heart, I'm not scared of the dark	If I didn't have you I'd never see the sun
You've never seen it look so easy	You taught me how to be someone, yeah
I got a river for a soul and baby you're a boat	All my life you stood by me when no one else was ever
Baby, you're my only reason	(7) me
If I didn't (1) you there would be nothing left	All these lights that can't blind me
The shell of a man that could never be his best	With your love, nobody can drag me down
If I didn't have you I'd never see the sun	Nobody, nobody
You taught me how to be someone, yeah	Nobody can drag me down
All my life you stood by me when no one else was ever behind	Nobody, nobody
me	Nobody can drag me
All these lights that can't (2) me	All my life you stood by me when no one (8) was
With your love, nobody can drag me down	ever behind me
All my life you stood by me when no one else was	All these lights that can't blind me
(3) behind me	With your love, nobody can drag me down
All these lights that can't blind me	All my (9) you stood by me when no one else was
With (4) love, nobody can drag me down	ever behind me
Nobody, nobody	All these lights that can't blind me
Nobody can drag me down	With your love, nobody can drag me down
Nobody, nobody	Nobody, nobody
Nobody can drag me down	Nobody can drag me down
I've got fire for a heart, I'm not scared of the dark	Nobody, nobody
You've never seen it look so easy	Nobody can drag me down
I got a (5) for a soul and baby you're a bow	Nobody, nobody
And (6) you're my only reason	Nobody can drag me down
If I didn't have you there would be nothing left	Nobody, nobody
The shell of a man who could never be his best	Nobody can drag me down
