

You talk about power bout taking control
Breaking the will

See the devil on the doorstep now	And away from the soul
My oh my	They suck us dry 'till there's (3) left
Tellin' evr'ybody home just how to (1)	My oh my
(2) lives	My oh my
Sliding down the information highway	What about the world today?
Buyin' in just like a bunch of fools	What about the place (4) we (5) home?
Time is tickin' and we can't go back	We've never been so many
My oh my	And we've never been
What about the world today?	So alone
What about the place that we call home?	So alone
We've never been so many	Keep watchin' from your picket fence
And we've never been	Keep talkin' but it makes no sense
So alone	You say we're not responsible
Keep watchin' from your picket fence	We are
Keep talkin' but it makes no sense	We are
You say we're not responsible	You wash (6) hands
We are	Come out clean
We are	And finally recognise the enemies within
You wash your hands	You say we're not responsible
Come out clean	We are
And finally recognise the enemies within	We are
You say we're not responsible	We are
We are	Keep watchin' from (7) picket fence
We are	Keep talkin' but it (8) no sense
One step forwards makin' two steps back	You say we're not responsible
My oh my	We are
Ridin' piggy on the bad boy's back	We are
For life	You wash your hands
Lining up for the grand illusion	Come out clean
No answers for no questions asked	And (9) recognise the enemies within
Lining up for the execution	You say we're not responsible
Without knowing why	We are
Keep watchin' from your picket fence	We are
Keep talkin' but it makes no sense	(you talk about power
You say we're not responsible	bout taking control
We are	Breaking the will
We are	And away from the soul
You wash your hands	They suck us dry 'till there's nothing left
Come out clean	My oh my)
And finally recognise the enemies within	We are (we are)
You say we're not responsible	We are (we are)
We are	(it's all about power
We are	'bout taking control)
