

Breaking the will

Fill in the gaps

See the devil on the doorstep now		And away from the soul	
My oh my		They (7) us dry 'till there's nothing left	
Tellin' evr'ybody home just how to live their lives		My oh my	
Sliding down the information highway		My oh my	
Buyin' in just like a bunch of fools		What about the (8) today?	
Time is tickin' and we can't go back		What about the place that we call home?	
My oh my		We've never been so many	
What about the (1)	today?	And we've never been	
What about the (2)	that we call home?	So alone	
We've never been so many		So alone	
And we've never been		Keep watchin' from your picket fence	
So alone		Keep talkin' but it makes no sense	
Keep watchin' from your picket fence		You say we're not responsible	
Keep talkin' but it makes no sense		We are	
You say we're not responsible		We are	
We are		You wash your hands	
We are		Come out clean	
You wash your hands		And finally recognise the enemies within	
Come out clean		You say we're not responsible	
And (3) recognise the enemies within		We are	
You say we're not responsible		We are	
We are		We are	
We are		Keep watchin' from your picket fence	
One step forwards makin' two steps back		Keep talkin' but it makes no sense	
My oh my		You say we're not responsible	
Ridin' piggy on the bad boy's back		We are	
For life		We are	
Lining up for the grand illusion		You wash your hands	
No (4) for no questions asked		Come out clean	
Lining up for the execution		And finally recognise the enemies within	
Without knowing why		You say we're not responsible	
Keep watchin' from your (5) fence		We are	
Keep talkin' but it makes no sense		We are	
You say we're not responsible		(you talk about power	
We are		'bout (9) control	
We are		Breaking the will	
You (6) your hands		And away from the soul	
Come out clean		They suck us dry 'till there's (10) le	
And finally recognise the enemies within		My oh my)	
You say we're not responsible		We are (we are)	
We are		We are (we are)	
We are		(it's all about power	
You talk about power		'bout taking control)	
bout taking control			

- 1. world
