

## Fill in the gaps

You just walk in, I make you smile,	read the signs so you know just (4) you're going.
It's cool but you don't even know me,	Stop right now, thank you (5) much,
You take an inch, I run a mile,	I need somebody with the human touch,
Can't win you're always right behind me.	Hey you always on the run,
And we know that you could go and find some other,	Gotta slow it down baby, (6) have some fun.
Take or leave it or just don't even bother.	Gotta keep it down honey, lay your back on the line
Caught in a craze, it's just a phase,	'Cause I don't care about the money,
or will (1) be around forever.	Don't be wasting my time,
Don't you know it's going to fast,	You need less speed, get off my case,
Racing so hard you know it won't last.	You (7) slow it down baby, just get out of my
Don't you know, what can't you see,	face.
Slow it down,	Stop right now, (8) you very much,
read the signs so you know just where you're going.	I (9) somebody with the human touch,
Stop right now, (2) you very much,	Hey you always on the run,
