

## Fill in the gaps

### Two Story Town by Bon Jovi

I couldn't sleep  
Took a walk down Second Avenue  
Sick of dreaming dreams that never come true  
One way street and I know where its leading to  
There's a ;For Sale; sign on the front door of the city hall  
The subway line got graffiti crawling off the wall  
I could take a hit but I don't want to take the fall  
That's just one side of the story  
In this two story town  
Chorus:  
It's just the (1)\_\_\_\_\_ old sights  
And the same old sounds  
I gonna take my car and drive out of this story down  
It's the same old ship (2)\_\_\_\_\_ down  
I'm going down, down ,down, down, down  
It's a two story town  
There's a girl that I sleep with  
She's got ecstasy eyes  
He (3)\_\_\_\_\_ her roses and American pie  
I called her and my demons  
And I kissed (4)\_\_\_\_\_ both goodbye  
Seven days of Monday morning  
In a two story town  
Chorus:  
It's just the same old sights  
And the same old sounds  
I gonna take my car and drive out of this two story town

It's the same old ship going down  
I'm going down, down, down, down, down  
It's a two story town  
One shot to (5)\_\_\_\_\_ a move now  
The ghosts are calling me out  
Guitar solo  
And me I'm just one story  
In a two story town  
But you're (6)\_\_\_\_\_ going to find me in the  
(7)\_\_\_\_\_ and found  
Chorus:  
It's just the same old sights  
And the same old sounds  
I gonna take my car and drive out of this two (8)\_\_\_\_\_ town  
It's the same old ship (9)\_\_\_\_\_ down  
I'm going down, down, down, down, down  
It's a two story town  
Chorus 2:  
It's just the (10)\_\_\_\_\_ old sights and the same old sounds  
I gonna take my horse and ride him off this merry-go-round  
I won't give in and I won't back down  
I'm going down, down, down, down down  
I'm never going down, down, down, down, down  
I ain't going down, down, down, down, down  
It's a two-story town  
It's a two-story town (wacth me now)

Answer

1. same
2. going
3. promised
4. them
5. make
6. never
7. lost
8. story
9. going
10. same
