I couldn't sleep	It's the same old ship going down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of dreaming (1) that never come true	It's a two story town
One way street and I know where its leading to	One shot to make a move now
There's a ;For Sale; sign on the front door of the city hall	The ghosts are calling me out
The (2) line got graffiti crawling off the wall	Guitar solo
I could take a hit but I don't want to take the fall	And me I'm (7) one story
That's just one side of the story	In a two story town
In this two story town	But you're never going to find me in the lost and found
Chorus:	Chorus:
It's just the same old sights	It's just the same old sights
And the same old sounds	And the same old sounds
I gonna take my car and drive out of this story down	I gonna take my car and (8) out of this two story
It's the same old ship (3) down	town
I'm going down, down ,down, down	It's the same old ship going down
It's a two story town	I'm going down, down, down, down
There's a (4) that I sleep with	It's a two story town
She's got ecstasy eyes	Chorus 2:
He promised her roses and (5) pie	It's just the same old sights and the (9) old sounds
I called her and my demons	I gonna take my horse and ride him off this merry-go-round
And I kissed them both goodbye	I won't give in and I won't back down
Seven days of (6) morning	I'm going down, down, down down
In a two story town	I'm never going down, down, down, down, down
Chorus:	I ain't going down, down, down, down
It's just the same old sights	It's a two-story town
And the same old sounds	It's a two-story town (wacth me now)
I gonna take my car and drive out of this two story town
