

Fill in the gaps

It's no secret

Hello, it's me
I was wondering if after all these years
You'd (1) to meet, to go over everything
They say that time's supposed to heal ya
But I ain't (2) much healing
Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us
And a million miles
Hello from the (3) side
I must've called a thousand times to tell you
I'm sorry, for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried to (4) you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you (5)
anymore
Hello, how are you?
It's so typical of me to (6) about myself
I'm sorry, I hope that you're well
Did you ever make it out of that town
Where nothing ever happened?

That the both of us are running out of time
So, hello from the other side
I must've called a thousand times to tell you
I'm sorry, for everything that I've done
But (7) I call you never seem to be home
Hello from the outside
At least I can say that I've tried to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Ooooohh, anymore
Ooooohh, anymore
Ooooohh, anymore
Anymore
Hello (8) the other side
I must've called a thousand times to tell you
I'm sorry, for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
