Fill in the gaps

Hello, it's me
I was wondering if after all these years
You'd like to meet, to go over everything
They say that time's supposed to heal ya
But I ain't done much healing
Hello, can you hear me?
I'm in California (1)_____ (2)_____ who
we (3)_____ to be
When we were (4)_____ and free
I've forgotten how it felt before the world fell at our feet
There's such a (5)_____ between us
And a million miles
Hello from the other side
I must've (6)_____ a thousand times to tell you
I'm sorry, for everything (7)_____ I've done
But when I call you (8)_____ seem to be home
Hello from the outside
At least I can say that I've tried to tell you
I'm sorry, for (9)_____ your heart
But it don't matter, it clearly doesn't tear you apart anymore
Hello, how are you?
It's so (10)_____ of me to talk about myself
I'm sorry, I hope that you're well
Did you ever (11)_____ it out of (12)_____ town
Where nothing ever happened?

It's no secret
That the (13)_____ of us are running out of time
So, (14)_____ from the other side
I must've called a (15)_____ times to tell you
I'm sorry, for everything that I've done
But (16)_____ I (17)_____ you never seem to be
home
Hello (18)_____ the outside
At least I can say that I've (19)_____ to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Oooooohh, anymore
Oooooohh, anymore
Oooooohh, anymore
Anymore
Hello from the other side
I must've (20)_____ a thousand (21)_____
to tell you
I'm sorry, for everything that I've done
But when I call you (22)_____ seem to be home
Hello from the outside
At least I can say that I've (23)_____ to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't (24)_____ you apart
